Part B. Open Data License Agreement

[Publish this section as the Open Data License Agreement. Link it from the website terms of use, the open data portal footer, portal dataset pages or metadata, and any data pages where users download data.]

Open Data License Agreement

This agreement is between the Liberia Institute of Statistics and Geo-Information Services herein referred to as LISGIS and you (an individual or a legal entity that you are authorized to represent). Your use of the data indicates your acceptance of the terms below.

Definitions

Data: means datasets, statistical tables, indicators, metadata, reports, publications, infographics, charts, maps, dashboards, data visualizations, and other statistical data products, in any format, published by the Liberia Institute of Statistics and Geo-Information Services through its official website, open data portal, or other official dissemination platforms.

Value-added products: Any by-product you create as a result of utilizing the data in whole or in part according to the conditions herein provided.

License Grant

LISGIS grants you (an individual or a legal entity that you are authorized to represent) a worldwide, royalty-free non-exclusive license to freely use the data, copy, modify, translate, publish, adapt, distribute, create derivative works and value-added products for commercial and non-commercial purposes subject to the terms of this license.

Acknowledgement of Source

You shall include and maintain the following notice on all licensed rights of the data and where possible provide a link to this license.

Source: Liberia Institute of Statistics and Geo-Information Services. Contains information licensed under LISGIS's Open Data License Agreement.

You shall include and maintain the following notice for all value-added products.

This product was adapted from the Liberia Institute of Statistics and Geo-Information Services' information, which is licensed under LISGIS's Open Data License Agreement.

Terms of use: This work is licensed under an open data license agreement. It is attributed to LISGIS.

Limitation

The license provided herein is limited solely to the Liberia Institute of Statistics and Geo-Information Services data and shall not extend to any third party data, software, and source code. All third party data downloaded from LISGIS's website or open data portal shall be subject to separate licensing terms identified by the third party.

Intellectual Property Rights

Intellectual property rights that LISGIS may have in the data shall remain the property of LISGIS. Intellectual property rights that third parties may have in the data shall remain their property. Intellectual property rights in value-added products, being any and all intellectual property rights recognized by law, shall vest in you.

Term

This agreement is effective as of the date and time you access the information and shall terminate automatically if you breach any of the terms of the license agreement.

Non-Endorsement

This license does not grant you the right to use the data in a way that suggests an official status or endorsement of you or your use of the data.

Disclaimer

Data are made available "as is" without warranty of any kind, including the implied warranties or merchantability and fitness for a particular purpose. LISGIS will not be held responsible for damages resulting from its use or interpretation including any consequential damages, punitive damages, direct or indirect damages or loss of profits.

Applicable Law

The agreement shall be governed and construed in accordance with the laws of Liberia and the National Statistics and Geo-Information Act of 2004.

Signed:
